

# Hey Mister Mole

## **Chorus-voice 1**

Hey Mister Mole, Mister Mole, Mister silky silky mole.

You look so cool and never a fool.

In your coat of black and your smooth top hat

Hey Mister Mole, Mister silky silky mole

You dig all day just to find your way.

Hey Mister Mole, Mister silky silky mole.

## **Chorus-voice 2**

*Hey Mister Mole, Mister Mole, Mister silky silky mole*

*Mister Mole, Mister Mole, Mister silky silky mole*

*Mister Mole, Mister Mole, Mister silky silky mole*

*Hey Mister Mole, Mister Mole, Mister silky silky mole*

*Hey Mister Mole, Mister silky silky mole*

*Hey Mister Mole, Mister silky silky mole*

## **Verse**

You've got short legs but what the heck

Never climb trees, don't wanna break your neck

Dig all day safely underground

Cool Mister Mole.

## **Chorus- 2 voices**

We don't see you lying on the beach

Topping up your tan, sun cream to reach

No floppy hat to shade your face

Staying cool at your place.

## **Chorus- 2 voices**

You don't like crowds, you live alone

Never call me on the telephone

Dig all day, you like to roam.

Cool Mister Mole.

## **Chorus-2 voices**

## **End**

Hey Mister Mole, Mister silky silky mole. (Repeat)

Yeah!
