

EVERYBODY WANTS TO RULE THE WORLD

Words and Music by Roland Orzabal, Ian Stanley and Chris Hughes.
Performed by Tears for Fears

Welcome to your life
There's no turning back
Even while we sleep
We will find you-->

Acting on your best behaviour
Turn your back on mother nature
Everybody wants to rule the world

It's my own design
It's my own remorse
Help me to decide
Help me make the most

Of freedom and of pleasure
Nothing ever lasts forever
Everybody wants to rule the world

There's a room where the light won't find you
Holding hands while the walls come tumbling down
When they do I'll be right behind you

So glad we've almost made it
So sad they had to fade it
Everybody wants to rule the world

(Instrumental)

I can't stand this indecision
Married with a lack of vision
Everybody wants to rule the...
Say that you'll never never never need it
One headline why believe it?
Everybody wants to rule the world

All for freedom and for pleasure
Nothing ever lasts forever
Everybody wants to rule the world

DREAMING

Words And Music by Sarah BAKER

Do you remember the stuff of daydreams?
Watching the world go by?
Views from a window, a bright sunny day
Noticing bright butterflies.

Chorus
Dreaming of days when it's peaceful and still
Dreaming of sun rising over the hill
Dreaming of light sparkling bright on the seas
Dreaming of moonlight and cool summer breeze.

Do you remember the dreams of the day?
Pictures that fill your mind?
Climbing a mountain or counting the stars
Treasure, forgotten, to find.

Chorus

When was the last time you sat and daydreamed?
Stopping the world rush by?
Sitting and thinking, your mind free to roam
Watching the clouds in the sky.

ONE AND A MILLION

Words and Music by Emily Barden

I am a seed in a meadow,
I am a leaf on a tree,
I am a rock in a mountain,
I am them and they are me.

We are the rays of the sunshine,
We are the waves of the sea,
We are all one and a million,
Together stronger than just me.

Ah_, united we are strong,
Ah_, feel the power in our song,
Ah_, we can achieve our dreams,
Ah_, if together we all believe.

One and a million, join us today,
Building tomorrow, leading the way. (x2)

I am a rose in a garden,
I am a star in the sky,
I am a note in an anthem,
You are them and so am I.

We are the rays of the sunshine,
We are the waves of the sea,
We are all one and a million,
Together stronger than just me.

Ah_, united we are strong,
Ah_, feel the power in our song,
Ah_, we can achieve our dreams,
Ah_, if together we all believe.

One and a million
Join us today
One and a millio-----

YOU GOTTA BE

Words and Music by Des'ree
Additional Music by Ashley Ingram

Listen as your day unfolds,
Challenge what the future holds
Try and keep your head up to the sky
Others, they may cause you tears
Go ahead release your fears,
Stand up and be counted
Don't be ashamed to cry

You gotta be

You gotta be bad, you gotta be bold, you gotta be wiser
You gotta be hard, you gotta be tough, you gotta be stronger
You gotta be cool, you gotta be calm, you gotta stay together
All I know, all I know, love will save the day

Herald what your mother said
Read the books your father read
Try to solve the puzzles in your own sweet time
Some may have more cash than you
Others take a different view,
My oh my, heh, he---y

You gotta be bad, you gotta be bold, you gotta be wiser
You gotta be hard, you gotta be tough, you gotta be stronger
You gotta be cool, you gotta be calm, you gotta stay together
All I know, all I know, love will save the day

Time asks no questions,
It goes on without you
Leaving you behind if you can't stand the pace
The world keeps on spinning
Can't stop it, if you try to
The best part is danger staring you in the face
Woah

Remember, listen as your day unfolds
Challenge what the future holds
Try and keep your head up to the sky
Others, they may cause you tears
Go ahead release your fears,
My oh my heh, hey, hey

You gotta be bad, you gotta be bold, you gotta be wiser
You gotta be hard, you gotta be tough, you gotta be stronger
You gotta be cool, you gotta be calm, you gotta stay together
All I know, all I know, love will save the da----y
