

CORE VALUES

We have very high expectations of **everyone** at Mere Green in all aspects of school life – we work together and support each other and we expect excellence both for and from our children, from everyone connected with school. Academic success for each child is paramount and we strive to deliver good and outstanding teaching each day; but we also work hard to ensure our children have fun, enjoy their school life and are excited about learning.

We are a fully inclusive primary school, which reflects the society in which we live.

At Mere Green every child achieves excellence and is successful through good teaching and learning and our philosophy is based on developing a caring school community.

We teach our children to be:
