'Making a Difference'

Tuesday 14th September

Dear Parents and Carers

Parent Voice

Regular, open communication and consultation is important to us at Mere Green School, therefore we are launching a brand new initiative 'Parent Voice'.

Parent Voice Group is a partnership between school working together with parents and carers. It provides an opportunity for parents and carers to recognise the strengths of our school and also suggest ideas for improvement. Parent Voice will meet monthly with Mrs Brookes, to discuss an identified area, you do not need to be a member of the group and you do not need to commit to all of the meetings, just join the meetings you feel will be valuable.

Parent Voice Aims

To support and promote children's learning

To help the school find out what parents and carers think about important issues

To involve parents and carers fully in the development of the school

To make plans that support the ways the school wants to develop and improve outcomes for our children

The Autumn Term meetings will take place via Zoom. If you would like to book a place on either of the Parent Voice sessions, please email admin@meregrn.bham.sch.uk providing your preferred session/sessions, your name, your child's name and your email address that you will use to access the zoom session.
