'Making a Difference'

03 December 2021

Dear Parents / Guardians

Thank you for your continued patience with the Tower Road gate closure. I am pleased to inform you that the closure of the pathway has been reviewed and we are able to reopen the Tower Road entrance on Friday 3rd December.

Where certain areas of the pathway have been identified as in need of remedial work, quotes and planning are already underway and will be carried out at the earliest opportunity. Confirmation has been given that the pathway does not need to remain closed whilst this takes place. The pathway will be monitored on an ongoing basis and form part of future programmes of planned repair, should any deterioration arise in future. Pedestrians should continue to take all due care when using the pathway, particularly in inclement weather as we move further into winter.

We have listened to your concerns regarding the gate opening times and have made some changes to ensure that the gate opens on time and is supervised. In the morning, the gate will be open at 8.30am and will be supervised by a member of staff from 8.40am. The gate will close at 8.55am. In the afternoon, the gate will open at 2.50pm and will be supervised by a member of staff. The gate will be locked at 3.10pm.

I apologise for the inconvenience caused by the gate closure.

Many thanks

Kristal Brookes
