‘Making a difference’

Head Teacher Update

Another fantastic week at Mere Green. This week we have been talking about being the best we can be and things that we are proud of. Children have particularly focused on their presentation this week and being proud of the work that they produce. Keep a look out on Dojo for celebrations of children’s achievements.

Why not have a chat with your child about something they are proud of?
If your child achieves something outside of school, please share on Dojo, we love to see how children are thriving outside of school.
