‘Making a difference’

Head Teacher Update

As we welcome in our half term holiday and look forward to enjoying the sunny weather, we are proud of the wealth of opportunities we've given Mere Green children to thrive, contribute and demonstrate their mental strength this last term.

From our science fair where we saw a record number of entries, to the many sporting events where children have grown in confidence representing their school, to a plethora of educational visits enhancing our curriculum further, drama performances and our hugely successful coronation picnic and Summer fair, none of these would have been possible, without your support.

As we look ahead to Summer 2 and the last term of this academic year, we are delighted to celebrate our first Children's University Graduations, further musical performances, and the opportunity for all parents to join us for our Sports Day which we are sure will be even more successful than last year.

Thank you again for all your support in arriving promptly to school each day, supporting your child/ren with their learning and enabling them to experience the wealth of extra curriculum opportunities we have mentioned above.

Have a lovely half term holiday.

Boys Football

Another great win for the Mere Green boys football team. The whole team played brilliantly from start to finish in the warm weather, showing some excellent football skills . Well done on your win of 4-0 you all worked your socks off.

Mr Smith would like to say a big thank you to all the parents who came to support the boys.

Cricket Team

Well done to the fantastic year 5 cricket team who got to the final of their competition today. They won all 3 groups games before beating Boldmere in the semi final. They then lost to a very strong Wylde Green team in the final but again put in a superb performance. Behaviour and sportsmanship were excellent throughout. Well done to the team and to Mrs Hands for preparing them so well.

Booking School Dinners

Due to Kitchen staff needing to ensure they are cooking the correct amount of meals for the day, all school dinners must be booked by the Sunday of the week before the meals are to be served. This includes **FREE SCHOOL MEALS**. All bookings are to be made using **MCAS** (MyChildAtSchool).

MAD Award

Congratulations to this week's MAD nominees:

These children have been nominated by their class teacher for Making A Difference, this is either through demonstrating our school values or school rules.

Making A Difference
